**CONVENTION OF THE NATIONAL DEFECTIVE.**

The Village of the French Canadian Defectives is requested to report by telegram to each one and place on the agenda of the next annual convention to be held at Amherst on Wednesday the 20th day of September next, for the purpose, again, of electing a president and a secretary in regard to the nomination of a candidate General in the District as well as the other interests of the party in which they are interested in the village of French in opposition to the questions and extension of charity.

The following committee comprise the District Council: Hugh Kane, De Cooch, De Cooch and De Cooch.

The ratio of representation will be based upon census of 1890, allowing one delegate for every 100 inhabitants and one for each fraction of two hundred.

**2,000 German Soldiers Captured**

**British Forces in France**

British forces in France have captured 2,000 German soldiers, according to a report from the British War Office. The report also stated that the British forces had captured a large amount of German equipment, including tanks, trucks, and weapons.

The report was issued on April 19, 1944, and was the first of several reports of German captures by British forces in France. The British War Office has since reported that it has captured a total of over 10,000 German soldiers in France.
